

# IB ASSESSMENT REGISTRATION

**Registration & Fees Due  
Friday, 6 November 2009**

Students in International Baccalaureate Diploma Program are externally and internally assessed throughout the school year. In addition to written essays, oral examinations, portfolios, and projects, IB assessment includes final examinations each May. IB fees cover the cost of all year-long assessments of student performance plus the May exams.

All students enrolled in IB and AP courses will take exams in May 2010. Examinations fall into three categories: 1) official IB tests, 2) official AP tests, and 3) mock tests. Students who plan to take AP tests will get information from Ms. Patterson in January.

Official IB and AP tests require an examination fee, and student performance on the test may result in college credit and/or advanced placement. IB and AP test scores are not a component of the student's classroom grade.

IB assessment payment is based on candidate category and the number of exams planned for the upcoming May session. There are four IB candidate categories:

- Diploma 1** 2<sup>nd</sup> year IB students planning a full diploma, who took one or more official IB exams the previous session (2009)
- Diploma 2** 2<sup>nd</sup> year IB students planning a full diploma, taking all six exams this session (2010)
- Anticipated** 1<sup>st</sup> year IB students planning to be full diploma candidates
- Certificate** Students planning IB exams, but not the full diploma

## **2009-2010 IB Assessment Fees**\*

Candidate Category	Registration Fee	Cost Per Exam
